Accordingly, Silent Diving, LLC and Ambient Pressure Diving, Ltd. will not sell an Inspiration or Evolution Rebreather to anyone unless they first acquire the knowledge, skills and training that are necessary to safely use the Inspiration and/or Evolution Rebreather; they agree to assume the risks associated with diving and using the Inspiration or Evolution Rebreather, including the risk of serious bodily injury and death; and they agree to release Silent Diving, LLC, Ambient Pressure Diving, Ltd. and related parties, from all liability associated with the sale and use of the Inspiration and Evolution Rebreathers.

By signing this Informed Consent, Liability Release, and Express Assumption of Risk Agreement (“Agreement”) for the Inspiration or Evolution Rebreather, you are knowingly and voluntarily agreeing to the terms contained within. _____ 2) I affirm that I have been truthful and honest in setting forth my experience, training and capabilities in this agreement. Further, I affirm that my training and experience in the sport of scuba diving necessary has given me the requisite knowledge to freely and voluntarily assume any and all risks associated with advanced/technical diving in general, and diving with the Inspiration or Evolution Rebreather in particular, including the risk of death or serious bodily injury.

_____ 3) I hereby affirm that I have either: (a) taken a formal training course of instruction from _____, a dive training organization or dive training professional approved by Silent Diving, LLC, and I have received certification in the use of the Inspiration or Evolution Rebreather; or (b) that I am currently taking or enlisted in an Inspiration or Evolution Rebreather certification course from _____, a dive training organization or dive training professional approved by Silent Diving, LLC.

____ 5) I understand, and I am fully aware, that there are many inherent risks and hazards associated with using any closed circuit rebreather, including the Inspiration or Evolution Rebreather. I know full well that by participating in this activity I may be seriously injured or killed, even if I do nothing wrong while diving.

____ 6) I understand that all electronic controls, instruments, and breathing loops associated with rebreathers are inherently subject to random and spontaneous failure, and that those subjected to aquatic environments are especially prone to failure. As such, I agree and acknowledge that I will not conduct any dive operations using the Inspiration or Evolution Rebreather without also carrying the appropriate redundant breathing gas supply and decompression tables that I can use in the event of failure of the breathing loop or my chosen decompression system, or both. I understand that I must continuously monitor the rebreather's electronic controllers to watch for warnings and/or failures in the system, and I agree to do so. I further understand that the sole responsibility for keeping me alive underwater rests with me and not the equipment, and I agree to plan and conduct all of my dive operations so they may be conducted safely and successfully.

____ 7) I also fully understand that problems may arise pre, post, and during diving operations when using an Inspiration or Evolution Rebreather, that when not dealt with properly may have fatal or near fatal consequences. It is therefore mandatory that I understand specifically how the Inspiration or Evolution Rebreather works, the purpose of every component, maintenance of the components, the contingency planning necessary for the dive if problems or anything reasonably foreseen or unforeseen may arise and the operational planning necessary for a diving operation.

I understand that experience comes with time and that experience will be built up gradually, and I will dive the Inspiration or Evolution Rebreather on a reasonable and consistent basis to maintain proficiency in its use, including practicing buoyancy control. I fully understand that, as part of the operational planning of diving an Inspiration or Evolution Rebreather, I will properly plan the diving operation to cover all those reasonably foreseeable contingencies that may appear during the diving operation, especially complete failure of the Inspiration or Evolution Rebreather, and that I will be equipped to safeguard myself and those that I am diving with.

____ 9) **I VOLUNTARILY RELEASE, DISCHARGE, WAIVE, AND RELINQUISH ANY AND ALL LAWSUITS, ACTIONS, CLAIMS, OR CAUSES OF ACTION** for injuries, death or damages to my person or property whether arising as a result of or based on any **PRODUCT DEFECT, WHETHER BY DESIGN, MANUFACTURE, OR FAILURE TO WARN, BREACH OF WARRANTY, OR NEGLIGENT ACT OR OMISSION OF THE RELEASED PARTIES** in connection with the design, materials, assembly, structural integrity, performance, instructions for operating or warnings regarding the use or for operation of the Inspiration or Evolution Rebreather.
